### INSTRUCTIONS

You have declared that you have been found guilty of a criminal offence.

You must fill out this form and forward it to the OIQ so that it can assess whether a relationship exists between the offence and the practice of the engineering profession. Please declare any judgment rendered by a Canadian court finding you guilty of a criminal offence, and any judgment rendered by a foreign court finding you guilty of an offence of a criminal character.

If you are not a member of the OIQ, the OIQ may refuse to issue you a permit or register you on the roll of members if it believes that the offence is related to the practice of the profession. The OIQ may also take such action if you do not forward this form or another document or information required to assess your file.

If you are already a member of the OIQ, the OIQ may strike you from the roll of members or suspend your right to practice if the offence is related to the practice of the profession. The OIQ may strike you from the roll if you do not forward this form or another document or information required to assess your file. Please note that such action will not be automatically taken as a result of this declaration.

Unless you refuse or fail to transfer required information or documents, the OIQ will not take action against you before you have had an opportunity to submit your observations. For further information, please contact the Secretariat and Legal Affairs Department at 514-845-6141 or 1 800 461-6141
