

# APPLICATION FOR EXPERIENCE CREDITS POST-GRADUATE ENGINEERING STUDIES

This form is to be used by Junior Engineers who wish to request experience credits for post-graduate studies in Engineering.

## IDENTIFICATION OF JUNIOR ENGINEER

Member number                      Last name                      First name

Email                      Telephone

## REQUIRED DOCUMENTS

I have requested that an official and final transcript be sent directly to the Order by the educational institution.

I am including a copy of the abstract or doctoral thesis.

## REQUIREMENTS FOR RECOGNITION OF EXPERIENCE CREDITS

A Master's Degree in Engineering will earn 12 months of experience credits whereas a Doctoral Degree in Engineering will earn 24 months of experience credits. A person who holds both degrees cannot earn more than 24 months of experience credits.

'Engineering' must be indicated on the final transcript of the post-graduate diploma.

Courses and research completed during the post-graduate studies in Engineering must not have been taken into account to obtain the undergraduate degree in Engineering that gave the Junior Engineer access to the Order.

The post-graduate degree in Engineering must be of a duration of at least two-years of full-time study which is the equivalent to the usual Master's Degree in Engineering programme in Québec.

The post-graduate studies in Engineering must have begun after the Junior Engineer obtained the undergraduate degree that gave access to the Order (the date of the post-graduate degree in Engineering must be later than the date of the undergraduate degree in Engineering that gave access to the Order).

In the case of a post-graduate degree in Engineering, research must be the predominant component.

## DECLARATION AND SIGNATURE OF JUNIOR ENGINEER

I certify and solemnly affirm that the information given on this form and any attached documents is true, accurate and unaltered.

The Order des ingénieurs du Québec may contact, if necessary, the persons or organisations who have drafted, signed, produced or certified the submitted documents in order to verify the truth and accuracy.

I understand that a false declaration, failure to report a fact or the transmission of false, altered or fraudulently obtained documents may lead to sanctions, such as the suspension of my file, the refusal of my permit application or the revocation of my permit.
