INFORMATION

ANNUAL FEE FOR JUNIOR ENGINEERS AND ENGINEERS-IN-TRAINING REGISTERED ON THE ROLL LESS THAN 1 YEAR AGO

Junior engineers or engineers-in-training who registered between April 1, 2021, and March 31, 2022, pay no annual fee for the first year they are entered on the Roll of the OIQ. For their second annual membership dues payment, junior engineers or engineers-in-training pay a prorated amount based on the number of months that have elapsed since the date on which they first registered for the roll. The prorated amount of dues is calculated in such a way that junior engineers or engineers-in-training receive one full year of membership without annual fee. However, junior engineers or engineers-in-training who have been registered for less than one year must pay the OPQ contribution and the group professional liability insurance plan premium.

Example: An eligible applicant is registered on the roll on December 1, 2020. For the 2021-2022 year, beginning on April 1, 2021, the annual fee will be calculated as follows: the number of months between December 1 and April, i.e. 4, divided by 12, multiplied by the amount of the annual fee. The amount will then be a third of the fees.

HOLDER OF A TEMPORARY RESTRICTIVE ENGINEERS'S PERMIT

Holders of a temporary restrictive engineer's permit who registered for the roll between April 1, 2021 and March 31, 2022 paid a prorated amount for their first annual dues payment that varied according to the number of months remaining in the year ending March 31, 2022. For their second annual dues payment, they pay the full amount.

RETIRED STATUS

To be eligible for retired member status, members must meet the following conditions: hold an engineer's permit in the meaning of the OIQ's regulations; be 62 years old or older; be retired, which means that they have ceased their professional engineering activities (they may still earn an income, just not from engineering); agree not to practice engineering in the meaning of the Engineers Act, even for free. A member who no longer qualifies for retiree status must pay the full dues applicable.

PERMANENTLY DISABLED MEMBERS

To qualify for "permanently disabled" status, members must provide a proof of permanent disability issued by the Régie des rentes du Québec.

CONTRIBUTION TO THE OFFICE DES PROFESSIONS DU QUÉBEC

All members without exception must pay the mandatory contribution to the Office des professions du Québec (OPQ).

GROUP PROFESSIONAL LIABILITY INSURANCE PLAN

All OIQ members, except lifetime members (a status which has not been granted since 1993) and permanently disabled members must pay a premium for the group professional liability insurance plan.
