

APPLICATION

HOLDER OF A UNDERGRADUATE DEGREE - INTERNATIONAL GRADUATES (TYPE 4)

BEFORE COMPLETING YOUR APPLICATION

This form is for internationally trained professionals who obtained their first engineering degree from an educational institution outside of Quebec or Canada.

Use the [Preadmission Guide](#) to preview your pathway by country of study. The tool will ask you a few questions, perform a comparison with previously analyzed degrees, and guide you in the process of obtaining recognition for your degree or training.

- ❖ Important : The comparative evaluation issued by the Ministère de l'Immigration, de la Francisation et de l'Intégration (MIFI) does not constitute a diploma equivalence, but rather serves to situate your studies in the context of the Quebec education system. It is issued for information purposes only.
- ❖ Some diplomas, such as professional licenses, are not equivalent to a Quebec bachelor's degree in engineering.

To complete your application, please follow the steps to gather the necessary documents for your application [HERE](#).

Be sure to obtain all documents before applying.

For guidance purposes, the following examples are generally refused by the admissions committee:

- Studies comparable to college level (CEGEP) in Quebec, such as a professional license, advanced technician diploma, university technology diploma.
- University diploma in a field other than engineering, without post-graduate studies such as an a master's degree in engineering or doctorate in engineering.
- Master's degree in engineering project management
- Diploma of collegial studies in engineering in Quebec (not a university-level diploma)
- Bachelor's degree by accumulation of certificates
- Diplomas from the following list:
 - Architecture • Environment • Geomatics
 - Agronomy • Geography • Microbiology
 - Biology • Geology • Physics
 - Biochemistry • Geotechnics • Urban planning
 - Chemistry

Please note that the Order will only begin processing your application once your file is complete.

The application fees are non-refundable.

The amount to be paid for the application is in the fee schedule, under the heading [D. Engineering diploma from a country not covered by an agreement \(Type 4\)](#).
