

Table of Corresponding Course Descriptions and Transcripts

<input type="text"/>	<input type="text"/>	<input type="text"/>
File number	Last name	First name
<input type="text"/>	<input type="text"/>	
Years of study	Institution name	
	<input type="text"/>	<input type="text"/>
	Diploma	Specialty

Before completing the table, please ensure that you have a course description for each course that appears on the report you received from WES.

The course descriptions must:

- have been issued by your university and correspond to the course content that was taught at the time you were enrolled in the course;
- be in English or French. If they are in another language, an English or French translation must be provided. If the translation is not performed by a certified translator, the person who performed the translation must include, at the end of the document, the solemn declaration below:

"I [*First and Last Name*] declare that I have performed the [French or English] translation of the course description(s) written in [*original language of document*] and confirm that all aspects of the translation are faithful to the original."

[*Signature*]

Course names (transcript)

Course names (WES report)

Course description page numbers

In this column, enter the names of the courses that appear on your transcript (in the same order as they appear on the transcript)

In this column, enter the course names as they appear in the WES report (in the same order as the corresponding course names in the first column)

In this column, enter the page numbers of the course descriptions. Provide the course names referred to in the course descriptions if they differ from the names on the transcript.

Blank writing area for the first column.

Blank writing area for the second column.
